OLD BUSINESS

Not much has changed, Chairperson had medical problems which prohibited any work to be done. We are low on meeting ~~the~~ schedules low. Not ordering large quantity until homegroups is added and STIP decides on meeting. Phone list is updated.

NEW BUSINESS

Homegroups have settled with meetings. Times, and location are fixed. New schedule will be made. Temptat would make it easier but I can make a new one. One known phone call on Helpline, seasoned member received call and it was addicts father calling, she asked if person needing help was there. She talked to person and gave him that days meeting time and location. Celebrations were updated and notice that area wasn't last weekend.
Future Concerns but today.

Make new meeting schedules, update website on celebrations and next months ASC meeting date and general improvements. Discussed about if when can give outside resource information on helpline. Tabbed decision till next PR meeting to get information about not breaking traditions.
