- Brian J. noted that two of the signs we placed at the intersection of Hwy. 64 and Hwy. 42 have been removed.
- Brian J. received a call from the NA hotline and when he tried to call them back after their conversation the number on recent calls sent him back to the NA hotline. It was suggested to get the callers personal number if you have to call them back.
- Jonathan B., our Alternate Delegate from Region came to the area meeting today to make an *announcement about the upcoming Conference Agenda Report (CAR). Every homegroup gets a vote on the CAR's 25 motions. A number of workshops are available in person and virtual to help us understand the CAR. Jan. 21<sup>st</sup> the Capital Area will be hosting a workshop. Jonathan is willing to come to our area to conduct a CAR workshop. Homegroups will need to get together and decide on a date and time for SPANA to have a workshop led by our regional representatives. The workshop needs to be conducted before the end of February.*
