Re: Policy Sub-Committee November, 2018 Report

1. We have confirmed the January 12, 2019 Policy Learning Day at the UCC Church on Cliff Rd (Home Group of Burning Desire) starting at 12:30 to 2:00 pm
2. We are requesting \$20.00 from 2018 budget, \$20.00 from 2019 budget plus an additional \$5.00 to cover food, soft drinks and a donation to the church.
3. This Learning day is to go over and understand our Policy, to better present the policy to the Home Groups, and to understand what our predecessors struggled to do to get us to where we are today. The Policy Sub-Committee is not the final word on our policy, we are learning just as each person in Area is, so we can better fulfill the duties of Area to the Home Groups. Remembering always we responsible to the Home Groups **First**.

Respectfully Submitted,
