Stay In Position Sam H

Old Business

Motion to disband the area was voted on by homegroups and didn't pass.

Question about what will do with posters located at the Blue Building. PR chair tabled it until we can get more participation from area members to put them out.

Question to the homegroups chair is stepping down due to his homegroups plans on moving to another area. A chair and Alt chair will be needed after this month.

Area voted to send regions donation of \$324.76

New Business

Regional donation \$200.00

Keep it Simple and Stay in Position homegroups have merged together. The 10:00 AM meeting will now be called Stay in Position and no time or day changes.

The Stay in Position evening meeting on Sunday will change from 6:30 P.M. to 3:00 starting June 5th.

Bill T made the suggestion that GSR submit to their homegroups a copy of Policy and Procedures for Southern Piedmont Area of Narcotic Anonymous for suggestions on any changes to said document. It was last revised on 7/17/19. Homegroups will submit suggestions and then any suggestions will then have to voted on by the other homegroups. A pdf copy will be placed on the SPANA website for download in business meetings and reports are under Policy and Procedures.

Last month's area minutes discussed that the chairperson was stepping down since his homegroup was considering moving to another area. Since the homegroup never left the area and the chairperson didn't submit a written resignation, he has retained their position as chairperson.

Jimmy B submitted his resignation as being Policy and Procedures chairperson. This position has now become open with no alternate.

Area positions normally rotate in July with alternates moving into chair positions. Since we have no alternates, all positions can be voted on with a resume submitted to the area. Area welcomes anyone to submit a service resume for the position desired.
