Re: July, 2019 Area Report

Area Policy is current except for one motion that was passed at June, 2019 Area meeting. When we get June 2019 Area Minutes the motion will be in the Policy.

This is my last area meeting as Policy Chair, be good to Bradley, because he is 100% more knowledgeable than I have been.

Thank you for allowing and supporting me for the last 2 years to serve as Alt. Chair & Chair, it has been an honor and a privilege. Learned lots.

Respectfully Submitted
